# Orchard Prairie

## School District #123

### ORCHARD PRAIRIE FUN RUN APRIL 30TH 3:30PM!

Join us for the revival of our annual walk/jog/run/stroll through the OP community!

**ALL RACERS MUST REGISTER** for insurance purposes! Pre-register to just race for \$5, or \$20 with a student-designed shirt. Register in March to be able to get a shirt. Follow this link:

SCAN ME

The School Board has been considering how to best address some major deficiencies that were assessed in our main school building built in 1971. They have looked at cost estimates to remodel vs. replace, and have come to the resolution that replacing the main building would be more cost-effective and a better long-term solution for our students and community. The historical 1894 schoolhouse would be preserved for continued use as classrooms.

Please attend one of our two community meetings to learn more.

# Strong Schools Build Strong Communities!

★ Orchard Prairie 4-7th grade students demonstrated their learning last fall on the state SBAC test. Their scores in ELA and math had improved from previous years, even while handling the Covid pandemic. Kudos to our staff, students and families for fostering an environment of learning! This spring's testing dates for 3rd - 7th grades are May 3rd and 4th.

★ OP students will be selling \$10 raffle tickets for our PTO fundraiser in May! We have amazing baskets planned for each class. Be on the lookout for more info, or call the school if you haven't been asked by a cute little neighbor kiddo! 467-9517 Drawings will be held at our **COMMUNITY PICNIC on Friday, June 3rd, 5pm**

after THIRTY EIGHT years of teaching at Orchard Prairie! Join us Friday, June 10th from 4-7pm for a celebration in her honor. Pass the word to former students and families! All are welcome!

## Superintendent's Corner

Ms. Savall is retiring this July after 40 years of public school service to students, staff and families. She served on Orchard Prairie's school board for 15 years, then started as our superintendent/principal in 2020. Students and staff alike will miss her, and appreciate her hard work to better our school and district and to keep us open and healthy through the pandemic. She is looking forward to time spent with her family, and more time to ride her horse, fly fish, hike and travel.

HAPPY TRAILS, MS. SAVALL!!!
